

## SF Approved Janitorial Cleaning Products

Products that meet health & environmental criteria for the City and County of San Francisco

**NOTE:** City & County of San Francisco staff may only purchase listed products when the product category is designated as "mandatory," unless a waiver is obtained from the Office of Contract Administration (effective 11/1/07). (SF Environment Code Chapt. 2) Note that some exceptions apply in certain categories.

**Definitions**

**Mandatory**

Within a "mandatory" product category, San Francisco City staff may purchase *only* listed products. To purchase other products, a waiver from the Office of Contract Administration will be required beginning 10/1/07.

**Currently on SF Contract?**

Products marked in this column are currently offered on a San Francisco citywide term contract.

**Criteria Used for Review**

All products on this list meet environmental and health criteria established by the San Francisco Dept. of the Environment. This column lists which specific set of criteria were used to screen the products. In addition to environmental and health criteria, some performance data is required by the Dept. of the Environment before a product may be listed.

GS37 Green Seal GS-37 Standard for Industrial and Institutional cleaners, 2/27/06

SFJC San Francisco Janitorial Cleaners Criteria, 4/25/05

SFJC+ San Francisco Janitorial Cleaners Criteria, 4/25/05, plus a restriction that chemicals listed as "asthmagens" (respiratory sensitizers) on the Association of Occupational and Environmental Clinics (AOEC) list must constitute less than 10% of the product by volume.

**(SF STAFF ONLY)**

**Exceptions to Mandatory Purchasing Requirements**

The mandatory requirement does not apply for these specific product uses. No waiver from the Office of Contract Administration is required in these situations.

**Cleaner/Degreaser EXCEPTIONS:** Other (non-listed) degreasers may be used only for specialty degreasing applications, such as parts cleaning. non-listed degreasers are not to be used for general custodial cleaning.

**Notes**

Clarifying notes on product categories, applicability, limitations, etc.

**Disinfecting Cleaners NOTES:** These products are not intended to replace disinfectants required by hospital or clinic infection control programs. They are intended for more general, routine disinfection tasks.
